Structured feedback and review of the syllabus
Session :2022-23

Feedback were collected from **Students / Faculty/Alumni / Employers** regarding the syllabus for the session 2022-23.

The following review was obtained:

1. Nimapara Autonomous College follows the syllabus prescribed by the Affiliated University which is updated from time to time by the University and is followed by the college.
2. The Academic council of the Nimapara Autonomous College has the right to modify the syllabus up to 20%, which is made whenever required.
3. The course contain is up to standard with other Indian universities.
4. The experienced teaching staffs delivers the course in an interesting way which stimulates the students minds and creates interest in them for perusing higher studies.
5. Library is well equipped and new books are purchased every year according to the modified syllabus. E-Books are available through EBSCO site by the Govt. of Odisha which is used by the students as reference books.
6. Practical subjects need more laboratories and advanced instruments/ equipments.
7. Some faculties suggested to introduce Python programming, AI & Data Science etc. for UG science students.
8. Industry relevant topics should be introduced in the syllabus.
9. Industry collaboration is suggested for providing students on Internship, Hands on Projects and Skill Development Courses for students.
10. Field study , field visits and study tours should be conducted regularly to broaden the knowledge of the students.
11. Classes on GK , Communicative English, current affairs ,Quantitative & Logical reasoning should be introduced to help students prepare for Competitive Exams.

Action Taken Report
Structured Feedback and Review Of The Syllabus.
Session :2022-23

1. Syllabus modification is done by some departments for better understanding of the course which is placed before the conducting board and passed by the academic council in every session.

2. Laboratory instruments and consumables are purchased regularly.

3. Government of Odisha has signed a MoU with NASSCOM and introduced Add On courses on Software for UG & PG students. The students are made aware of this courses through an orientation programs and registration process is going on. Some students have completed these online courses and obtained certificates.

4. All UG departments have introduced one ADD-On course each for Skill Development of the students. Students have completed the courses and awarded certificates.

5. MOUs are signed with MCL , OMC , OMFED and students are going internship programs in these reputed companies.

6. Communicative English, Quantitative aptitude and logical reasoning have been introduced in syllabus in AECC to broaden the student's knowledge and to prepare them for competitive exams.
